

Compensation and Footwear Guidelines

The compensation criteria for all GotSneakers' sneaker recycling partners is based on specific **quality, style, and brand** guidelines. At GotSneakers' sole discretion, each pair will be professionally evaluated by GotSneakers' trained staff to determine its eligibility and compensation amount. The "Footwear Categories & Compensation Rates" section below describes each qualifying and non-qualifying category in detail. **Please carefully review this section to ensure proper compensation expectations.**

It is important to ensure your sneakers are **paired together within the same bag** in order to qualify for compensation. All pairs not shipped together in the same bag will be categorized as **non-paired** and will **not be eligible for payment**.

All footwear will **only** be compensated if it is shipped within GotSneakers' provided collection bags. GotSneakers will **not** accept any footwear shipped in other types of packaging supplies including but not limited to boxes of any kind.

We kindly ask our partners **not** to send any non-athletic footwear including but not limited to dress shoes, heels, rain boots, sandals, slip-ons, water socks, wedges, and work boots of any kind.
